Sail & Swing Your Summer Away!

KIDS ON THE COURTS, with USPTA Certified Tennis Pro, **Kim D'Amico**, offers summer tennis programs for youth all ages.

Kids On The Courts partners with **KIDS ON BOATS** to offer a full day program—tennis lessons for half the day and sailing for half the day.

For ages 7—12, this 5 Day program will provide children with the opportunity to combine fun and innovative learning to build confidence and develop skills in two different sports.

Kids on the Courts and Kids on Boats use a variety of experiences to introduce and cultivate

a respect and knowledge of the tennis and maritime communities for students of all skill levels.

TEEN SAILING & TENNIS

For ages 13—17, the 2010 Teen Program will focus on beginning to advanced tennis and sailing/boating skills. Teen Sailing programs will incorporate the use of the 22' Tanzer and focus on single-handing skills aboard center-board and keel boats.

Transportation will be provided between camp locations.
